**GENERAL TRANSMITTAL**

Sir:

On October 17, 2007, Applicants filed a response after final and a Request for two month extension of time with the two month extension of time fee. The EFS ID for the after final with extension of time fee submission is 2330224.

On November 19, 2007, Applicants checked the status of the application on the PAIR system and there was no advisory action issued by the Examiner. Applicants therefore filed (via EFS), at 9:52 AM, a Request for Continued Examination and checked the box "Consider previously submitted" response after final to have the response after final of October 17, 2007 considered by the Examiner. The difference in fee between the three month extension of time and the two month extension of time was also paid. The EFS ID of the RCE submission with the extension of time fee is 2482929. The RCE fee was paid in a separate EFS transaction. The EFS ID of the RCE fee submission is 2486718.

Commissioner for Patents

On November 19, 2007 at 12:46 PM, Examiner Gregory M. Desire faxed a copy of an advisory action to Applicants' representative. The Advisory Action stated that the response after final will be entered but does not place the application in condition for allowance. This advisory action was not yet posted on the PAIR system.

Applicants then prepared a response accompanying an RCE (enclosed) for the Examiner's consideration which includes a Terminal Disclaimer (enclosed) and its terminal disclaimed fee (enclosed).

The RCE form as filed on November 19, 2007 in the morning does not apply to the present application since the October 17, 2007 amendment after final was already considered and entered by the Examiner as is evidenced by his advisory action.

Consequently, Applicants prepared a replacement RCE form (enclosed) which asks the Examiner to consider the enclosed response accompanying an RCE.

The Office is therefore respectfully requested to disregard the RCE form filed in EFS ID 2482929 and apply the RCE fee of EFS ID 2486718 and the extension of time fee of EFS ID 2482929 to the replacement RCE form filed herewith to have the Examiner consider the response accompanying an RCE filed herewith. All transactions were carried out today, November 19, 2007.

Respectfully submitted,

MATROX ELETRONIC SYSTEMS LTD.
